We've Changed Our Name!

August 2, 2007

Durham Ambulance Corps is now...

McGregor Memorial EMS

"Committed to Compassionate Excellence"

Our new name honors Dr. George G. McGregor, in whose memory we were founded nearly four decades ago. Doc McGregor was a larger-than-life figure remembered for his dedication to compassionate, quality healthcare. Our new name reflects:

- ❖ Our *commitment to high-quality emergency medical care* for our fellow residents, neighbors and students.
- ❖ Our *dedication to all four communities that we serve*—Durham, Lee, Madbury and the University of New Hampshire.
- ❖ The *strong ethic of community service* that is a cornerstone of NH communities. McGregor Memorial EMS, with almost four decades of non-profit, volunteer service to the community, exemplifies this ethic.

McGregor EMS maintains an organizational commitment to excellence, and prides itself on being one of the most cost-effective, highly-trained and professionally-organized ambulance services in the state. Compassionate service is the hallmark of our service to the community.

McGregor's service extends to other areas of public health and safety:

- ❖ We are the *largest provider of CPR education* to the communities we serve, with nearly 300 new "Community Heroes" trained last year.
- ❖ We offer the *CPR Safe school program*, a statewide program designed to make schools and the communities they serve a safer place for all.
- ❖ Through the McGregor Institute of EMS, we are one of the *key providers of EMS education* in the Seacoast.

For more information, visit www.mcgregorems.org. Get involved in your community!

- ❖ *Interested in volunteering?* Go to our website to learn more.
- ❖ *Want to see first-hand what we do?* Come ride along with an ambulance crew.

Please use "McGregor Memorial EMS" in place of Durham Ambulance Corps for all purposes going forward. Where a short form is required, please use "McGregor" or "McGregor EMS".

*Providing exemplary services to the communities of Durham, Lee, Madbury and UNH
since 1968 in memory of Dr. George G. McGregor*
